OUR MEMBERS

We are passionate about classical music! We are local amateur musicians scattered throughout your community. We are a diverse group of individuals, engaged in many different professions and community activities. But we come together because we love playing classical music with a big professional sound.

COMMUNITY OUTREACH INITIATIVES

- **Young Artist.** We offer Washington County students, ages 13 to 20, the rare opportunity to perform with a Symphony Orchestra through our Young Artist Competition. Winners of the competition are awarded scholarships.

- **Education.** We make presentations in schools to explain the symphony orchestra, and we invite student musicians to perform before our concerts and at intermissions. We are developing educational collaborative relationships with school districts throughout the local area.

- **Families and Seniors.** We make live classical music performances affordable for the whole family with a \$20 Family Ticket. Seniors enjoy \$5 tickets—especially at Sunday afternoon performances.

- **Special Needs Community.** We offer free tickets to the special needs community, including residents of homes for developmentally disabled.
